OFFICE POLICY

Welcome to Our Office

Please read this policy carefully and feel free to ask questions regarding any part of this form. We believe that a clear definition of our office and financial policies will allow us to concentrate on the primary goal of restoring or maintaining the health of your feet. Our practice will strive to provide you with the finest quality podiatric care. If you have any questions regarding your treatment, please do not hesitate to ask. We welcome referrals and look forward to establishing a satisfactory doctor-patient relationship.

Appointments

If you are unable to keep an appointment please call the office to reschedule at least 24 hours in advance. Patients with three missed appointments may be asked to transfer their records to another doctor. Patients who are more than 15 minutes late may be asked to reschedule.

Leaving Messages

Our office policy is to leave generic, harmless information on answering machines. We would like to accommodate our patients and can do so by initialing next to your preference.

1. _____ leave very little information.
2. _____ please call # _____ and leave specific details.
3. _____ please leave as much information as possible on the machine or with anyone who answers my phone.

Transferring Records

If you want to have copies of your records, you must authorize us to include all relevant information, including your payment history upon request. If you are requesting your records to be transferred from another doctor or organization to us, you authorize us to receive all relevant information including your payment history. **There will be a \$10 copying fee per film for x-rays.**

Financial Policy

This is an agreement between Ankle + Foot Center, P.A. a Florida corporation, as creditor and the patient/debtor named on this form. In this agreement the words "you", "your", and "yours" means the patient/debtor. The word "account" means the account that has been established in your name to which charges are made and payment credited. The words "we", "us", and "our" refer to the Ankle + Foot Center, P.A. By executing this agreement you are agreeing to pay for all services rendered.

Insurance

Insurance is a contract between you and your insurance company. (We are **not** a party to this contract, in most cases). We will bill your primary insurance company only if we are a contracted participating provider. We will accept secondary insurances for Medicare only, as long as it is medigapped (automatic crossover). Although we may estimate what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility. You agree to pay any portion of the charges not covered by insurance.

Verification of Benefits

We may assist you, at our discretion, in verifying your insurance coverage in an effort to verify exactly what podiatric coverage is available on your policy. This can only be done on the day of your appointment if time permits. **You as the policyholder are primarily responsible to verify benefits.** We cannot guarantee payment of the benefits and subsequently you may be responsible for any coinsurance, deductibles, or fees for non-covered services that may result.

Referrals

If your insurance company requires a referral and/or preauthorization/pre-certification **you are responsible for obtaining it.** We most likely will not be able to obtain a referral on the date of service, (and this will be at our discretion if time permits). Options at this point will be to reschedule the appointment or to pay at the time of service. We suggest you call your primary doctor at least 24 hours in advance to confirm that your referral has been generated and faxed. **The most reliable method is to obtain it yourself.**

Workers Compensation

We require written approval/authorization by your employer and/or worker's compensation carrier prior to your initial visit. If your claim is denied, you will be responsible for payment in full.

Personal Injury

If you are being treated as part of a personal injury lawsuit or claim, we require verification from your attorney prior to your initial visit. In addition to this verification, we require that you allow us to bill your health insurance. In the absence of insurance other financial arrangements may be discussed. Payment of the bill remains the patient's responsibility. We do not accept letters of protection and subsequently cannot bill your attorney for charges incurred due to a personal injury case.

Divorce

In case of divorce or separation, the party responsible for the account prior to the divorce or separation remains responsible for the account. After a divorce or separation, the parent authorizing treatment for the child will be responsible for those subsequent charges. If the divorce decree requires the other parent pay all or part of the treatment costs, it is the authorizing parent's responsibility to collect from the other parent.

Required Payments

Any co-payment, deductibles or coinsurances, fees for non-covered services, or outstanding balances must be paid at the time of service.

Payment Options

You may choose to pay cash, check, or credit card on the day that the treatment is rendered.

Returned Checks

There is a fee (currently \$25) for any checks returned by the bank.

Monthly Statement

If you have a balance on your account, we will send you a monthly statement. It will show separately the balance, any new charges to the account, and the finance charge, if any.

Payments

Unless other arrangements are approved by us in writing, the balance on your statement is due and payable when the statement is issued, and is past due if not paid by the end of the month.

Finance Charge

A finance charge will be imposed on each item of your account which has not been paid within thirty (30) days of the time the item was added to the account. The finance charge will be computed at an annual percentage rate of one percent (1%) per month or an annual percentage rate of twelve percent (12%). The finance charge on your account is computed by applying the periodic rate (1%) to the "overdue balance" of our account. The overdue balance of your account is calculated by taking the balance owed thirty (30) days ago, and then subtracting any payments or credits applied to the account during that time. The minimum finance charge is \$50.00.

FMLA and Disability Forms

There will be a \$20.00 charge for completing FMLA and disability paper work. Please submit paper work one week prior to due date.

Past Due Accounts

If your account becomes past due, we will take the necessary steps to collect this debt. If we have to refer your account to a collection agency you agree to pay all of the collection of the balance to a lawyer, you agree to pay all the lawyer's fees which we incur, plus all court costs. In case of suit, you agree the venue shall be in Hillsborough County, Florida.

Waiver of Confidentiality

You understand if this account is submitted to an attorney or collection agency, if we have to litigate in court, or if your past due status is reported to a credit reporting agency, the fact that you received treatment at our office may become a matter of public record.

Effective Date

Once you have signed this document you agree to all of the terms and conditions contained herein and the agreement will be in full force and effect.
